or reached subscriber limit**

WRT Hollabrunn hosts a test day for motorsport vehicles and race cars at the Autocross-Ring (Autocross/Rallycross/Autocrash/Volvo Cup/...)

Schedule:	Saturday, 18.04.2026
Registration:	exclusively via the link at www.wrt-hollabrunn.at
Administrative approval, and Scrutineering (technical inspection):	08:30 – 09:15
Drivers' briefing:	09:15
Open practice:	09:30 - 12:00 and 13:00 - 15:00
Lunch Break:	12:00 - 13:00
Track layout:	as announced during the drivers' briefing

Procedure:

Participation is open to everyone who complies with the WRT Hollabrunn regulations.

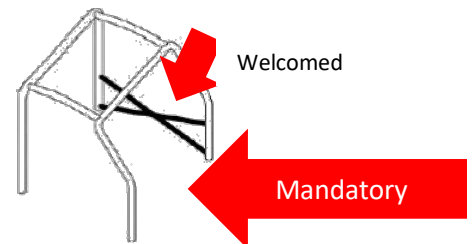

The driver must register in advance via the link provided on our website www.wrt-hollabrunn.at, and pay the entry fee in advance as a reservation by 10.04.2026.

On the test day, the safety requirements for both the driver and the vehicle will be checked.

Anyone who adheres to the rules of the WRT Hollabrunn is allowed to participate.

Safety regulations:

A roll cage is mandatory. It must extend over the A- and B-pillars and be made from metal tubing with a minimum diameter of 42 mm and a wall thickness of 2 mm.

- **Standard seat only in combination with standard belt - must be attached to the original fastenings!**
- **A racing shell seat and an H-Style racing seatbelt may only be installed together!**
- **If the vehicle is still fitted with headlights, they must be taped over!**
- **If a windshield is installed, the wiper system must be functional!**
- **Noise limit: 98 +2 dB.**
- **A groundsheet/tarpaulin must be placed under every car and must be at least the same size as the vehicle itself!**
- **Seat belts and helmets are mandatory at all times!**

Brake lights: Each vehicle must be equipped with **two brake lights** and **one rear warning light** with a minimum surface area of **56 cm²**.

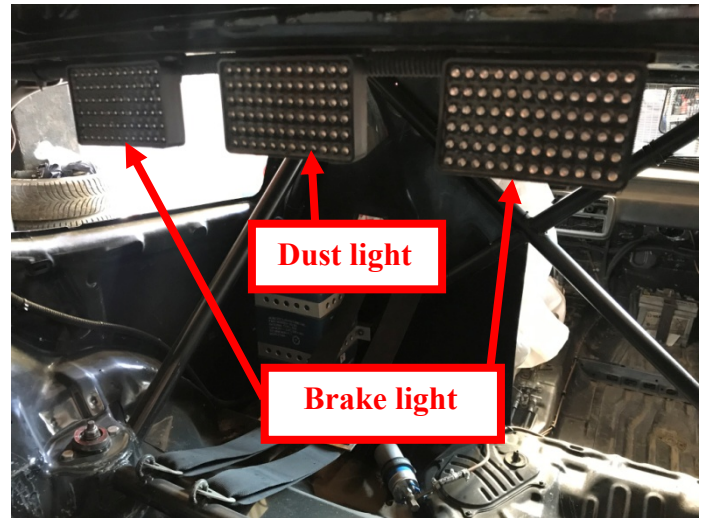

These lights must be mounted **at least 50 cm above the ground** and fitted with a **21W bulb including a reflector**.

Alternatively, clearly visible **red LED lights** are also permitted. These must have **at least 60 diodes** on an area of **at least 50 cm²** and must be arranged in **at least two rows**.

The **two outer lights** must function as **brake lights**, and the **center light** serves as the **warning light**.

The brake lights must be visible from the seating position of the following vehicle (they must not be obstructed by a spoiler or rear wing) and should be positioned as far away from the warning light as structurally possible.

A flashing dust light is not permitted.

Protective clothing:

A neck brace, gloves, and long clothing must be worn.

Passengers are no longer permitted with immediate effect!

Application fee: € 40,--

The application fee is to be paid per person.

The application fee must be paid in advance **by 10.04.2026** to the following bank account as a reservation:

WRT Hollabrunn
IBAN: AT93 2011 1805 1435 6700
BIC: GIBAATWWXXX

Purpose of use: Application fee, Driver's name + surname

The application fees will be refunded if the driver submits a written cancellation **by 10.04.2026**.

WRT Hollabrunn reserves the right to make changes due to the current situation and any potential amendments issued by the federal government.

WRT Hollabrunn also reserves the right to exclude participants from the test day in case of non-compliance with the regulations stated above, or in the event of major technical deficiencies on the vehicle.

Furthermore, WRT Hollabrunn accepts no liability for any damage to persons or vehicles.
